1 You sat here through Detective William's testimony. Would you agree with the nature of the room and so on as Detective Williams described it? A I would, yes. Now, how long did you talk in the vicinity of Mr. Hatchett at that point in time, or with him I should say? A I don't recall exactly what time we arrived at the Detroit Police Department Headquarters. We 9 . were notified at about 3:00 o'clock that afternoon, and once we made all necessary arrangements, such as 11 notifying the supervisor and briefing them, we probably didn't get down to DPD until 5:00 o'clock or thereafter, sometimes after that, I'm not sure. The interview with them would probably have been * somewhere in the area of an hour or less, somewhere o in that ball park, I don't recall exactly. And after that was completed what did you 18 Q 19 ° do? We conveyed Mr. Hatchett to the Sterling Heights Police Department Headquarters, or I should 21 22 ° say Detective Sergeant Lucas and Detective Sergeant Reece transported him to the Sterling Police 24 ° Department while myself and Detective Plaunt

25 ° retrieved the victim's car from Executive Towing on

1 ° Six Mile and supervised towing of that back to the

2 . Sterling Police Department for processing.

Q So how long did that detail take?

4 ° A The actual conveyance didn't take very long

because the rush hour traffic was diminised by the

6 ' time the Sergeants transported him back. Took

7 ° Detective Plaunt and myself approximately hour and

8 ° half, two hours before we got back to the police

9 ° department.

3

10 ° Q Was that detail -- I was asking how long
11 ° did it take you and Detective Plaunt to accomplish
12 ° your goal. That was to what, get the car secured?

A Yes, sir. We went down and supervised the release of the car from Executive Towing on Six Mile, waited for someone to come by, unlock the gate. We had a wrecker from the city. It took considerable amount of time before the wrecker actually took the car and then conveyed it back to the Sterling Heights Police Department; probably be in the area of two to

two and half hours; just a guess on my part.

Q Did you ever take a statement from the Defendant, that you would characterize, where you formalized the giving of the so-called Miranda or other Constitutional rights and then taking a joint statement?

25 ° statement?

21

22

23

24

37 A I'm not sure. If you're asking if I did 2 ° Miranda? Q Yes. yes, I did, at the Sterling Heights Police Department. 5 I want to take -- from the first time you encountered Mr. Hatchett until that moment, I want to ask questions about his physical condition and so on.

9 ° First of all, based on your experience as a police

10 ° officer training, did you detect any signs of the

11 ° consumption of alcohol by Mr. Hachett?

12 A No, there was no odor of alcoholic

13 ° beverages upon his person.

Q Aside from odors, any behaviors that would indicate to you he may have been drinking?

A No, sir, none were exhibited to me.

17 Q How about whether or not he ingested any controlled substances prior to your taking the

19 ° statement from him?

16

20 A I didn't detect the odor of any marijuana coming from his person and there was nothing that 21 made me alert to any possibility of ingestion of 22

controlled substance at all. 23

Q What about the general demeanor in terms of fatigue, alertness or anything along that spectrum, 25 °

- 1 ° in between those?
- 2 . A He seemed alert. He was lucid and appeared
- 3 ° to understand about we said to him.
- 4° Q Did he complain of any illness or other
- 5 ° problems, physical or mental, during the time you
- 6 ° were with him, whatever?
- 7 . A No, there was no complaints whatsoever of
- 8 * pain or any kind of illness at all.
- 9 . Q How about hunger, did he say he was hungry?
- 10 ° A No, sir, there was no complaint of hunger
- 11 ° either.
- 12 ° Q During the time you were with him did you
- 13 ° threaten him with any type of physical force?
- 14 ° A I did not.
- 15 ° Q Did you threaten to inflict any type of
- 16 ° mental distress upon him during all that time you
- 17 ° were with him?
- 18 ° A No, I did not.
- 19 ° Q How about other officers, you were
- 20 ° certainly around when other officers were in the
- 21 ° vicinity of Mr. Hatchett. Did you see any of them
- 22 ° threaten Mr. Hatchett with any physical or any type
- 23 ° of mental harm?
- 24 ° A Absolutely not.
- 25 ° Q Did he complain of any illness or having

- 1 . been threatened in anyway or coerced in any way
- 2 ° during the course of time you were with him?
- 3 . A During the time we were with Mr. Hatchett,
- 4 ° no complaints whatsoever.
- 5 ° Q Did you offer him anything in terms of
- 6 ° promises in exchange for his cooperation or
- 7 ° willingness to talk to you or any other police
- 8 ° officers about his knowledge of these events?
- 9 ° A No, I did not. Only thing I said to Mr.
- 10 ° Hatchett during my contact with him was, any
- 11 ° cooperation he gives us during the course of our
- 12 ° investigation, may be looked upon favorably by the
- 13 ° Prosecuting Attorney staff.
- 14 ° Q Did you talk to him at all about he would
- 15 ° be released if he cooperated with you in any way?
- 16 ° A I never made any such promises of release.
- 17 ° Q Did he ask for any promises or
- 18 ° consideration if he talked to you?
- 19 ° A No, sir, he didn't.
- 20 ° Q Did the Defendant indicate that he was in
- 21 ° need of any kind of medication or other medical care
- 22 ° during the time he was with you?
- 23 ° A No, sir, he did not.
- 24 ° Q Did the Defendant immediately or initially
- 25 ° tell you that he wasn't involved in these crimes of

- 1 ° carjacking and/or criminal sexual conduct?
- 2 ° A Initially, that's what he said, sir.
- 3 ° Q Then did you continue to demand and
- 4 ° question him until such time as he ended up telling
- 5 ° you about his role in those crimes?
- 6° A We didn't demand a thing from him.
- 7 ° Q Did you ever supply the Defendant with
- 8 'details, specific details of the offense so that he
- 9 ° would be able to recite them back to you when and if
- 10 ° he decided to give you a statement about his
- 11 ° knowledge and involvement with these crimes?
- 12 ° A I didn't.
- 13 ° Q You say you didn't, so I will ask the next
- 14 ° question: Did you hear anyone else or see anyone
- 15 ° else provide him with the kind of details that he
- 16 ° eventually later gave you demonstrating his knowledge
- 17 ° and involvement in this crime?
- 18 ° A No. As a matter of fact, as lead
- 19 'investigator I was the only one privy to such details
- 20 ° at this point.
- 21 ° Q I show you what has been marked as People's
- 22 ° Proposed 1, it's a five page statement document. Can
- 23 ° you tell the Court what that proports to be?
- 24 ° A This is a transcript from a taped interview
- 25 ° that myself and my partner had from Mr. Hatchett when

1 • we brought him to the Sterling Police Department on
2 • November 15, 1996.

Q And that taped interview from which a transcript was made, what time did that occur?

5 . A Interview commenced at 2145, which in 6 . common parlance is 9:45 in the evening.

7 ° Q What kind of room was that tape recording
8 ° or that interview taken in?

9 . A It was within our -- one of our interview
0 ° rooms at the Sterling Heights Police Department.

11 ° Q Tell the Court what that room is like?

12 ° A It's a small room. Perhaps in dimensions,

13 ° 8 by 10 with a standard 8 foot ceiling. It has a

14 ° table with chairs, electrical outlets available for

15 ° any appliances, video tape, audio tape or any other

16 ° aid you may need at that point during the course of

17 ° an interview. It is well lighted, well ventilated.

18 ° Q And the portion of those 5 pages consist

19 ° of, is what?

20 . A These pages I have in front of me are the

21 ° transcript of the interview which deal with the

22 ° Mirandizing of Mr. Hatchett prior to the actual

23 ° questioning.

24 ° Q Would you take a look at People's Proposed

25 ° 2 and tell the Court what that is I have handed you?

4:

This is a Xerox copy of a constitutional 1 rights certificate of notification we routinely use during the course of an interview. Upon it are the Miranda Rights and signature block. Signature block would indicate that we went through the rights line items with the individual being questioned, signed by myself and witnessed by Detective Plaunts. Additionally, next to each Miranda Right question, that the Defendant places his initials next to each one. After these initials are placed or before the initials are placed on there I asked him two 11 questions: Do you understand that right? Do you 12 have any questions about it? If they understand it and have no questions about that specific right they are instructed to place their initials before it, which indicates to me the fact they do in fact understand their rights as per Miranda. People's Proposed 2, was that made during 18 Q the course of the tape recorded matter about which Proposed 1 is a transcript of? Is that made at the same time this transcript is being generated? 21 22 A Yes, it is. There's references made to the rights and 23 0 o so on, and the initialing and understanding and so

25 ° on, if you have read People's 1?

               That's right. Exactly.
                    MR. KAISER: Your Honor, Counsel and
     I, before the hearing bagan, agreed that rather than
     play the tape recording about which there is a
    transcript of, the Court could review just the
     transcript itself for the purpose of this hearing.

 7
                    THE COURT: Ms. Austin?

                    MS. AUSTIN: So stipulated, your

                    MS. AUSTIN: No objection.
15
                   MR. KAISER: May I hand those to the

                    THE COURT: Yes.
18
         Q
               (Mr. Kaiser, continuing): Is it the case
    that after, at the bottom of page 5, as that
19
    transcript indicates, that the Defendant then went on
    and dfescribed his knowledge of the events that
21
   occurred involving the carjacking itself and the
22
23 ° criminal sexual conduct charge?
24
         A
              That's right.

- 7 ° A He never mentioned that at all.
- 8 ° Q You looked at People's 2. Is it your
- 9 ° testimony that that's a signature of Nathaniel
- 10 ° Hatchett on there and you saw it put on there?
- 11 ° A That's correct, I witnessed his signature
- 12 ° on that piece of paper.
- 13 ° MR. KAISER: Your Honor, that's all
- 14 ° the questions I have, and for the record, the only
- 15 ° statements that the People would tend to introduce at
- 16 ° trial are those that follow on page 5 and on People's
- 17 ° 2.
- 18 ° THE COURT: Thank you. Ms. Austin,

- 20 ° MS. AUSTIN: Thank you, your Honor.
